

Survey of U.S. 40 To Be Made During Month

D. J. Dobbas, president of the Placer County Chamber of Commerce and chairman of its Trans Sierra Highway Committee, confirmed reports from Washington, D. C., that a representative of the army transportation office will survey Highway 40 in connection with a proposal to make the route across the Sierra four lanes.

Dobbas said the representative, Kenneth D. Chace, assistant to Brigadier General Paul F. Yount, chief of transportation for the army, is scheduled to arrive in California to inspect Highway 40 after March 15.

Writing Report

Chace is writing a report for the department of defense on the proposed widening of the trans Sierra route.

Dobbas stated Chace's visit is not to be interpreted as an approval of the highway improvement plan by the department of defense but he added: "It is a step in the right direction."

Dobbas explained Chace's purpose will be to survey the physical aspects of Highway 40 and to determine the load of military traffic over the route for inclusion in his report to the defense department.

Chace met with California senators, congressmen and local representatives at a hearing in Washington January 11 at which time the California delegation urged improvement of the route.

Legislation Planned

Congressman Clair Engle (D) of Red Bluff, Tehama County, reported in Washington that as soon as Chace makes his report to the defense department Engle plans to bring up legislation offered by himself, Congressman John F. Moss (D) of the third, Sacramento Valley, district and California Republican senators William F. Knowland and Thomas H. Kuchel to set up a \$20,000,000 federal fund to match an equal amount of State of California money for the improvement.

The highway, which Dobbas stated carries a heavy load of military traffic, was included in the strategic highway system following a report to congress in 1947.

The state proposes to use \$20,000,000 in highway funds allocated to Northern California counties to match the federal funds for the project.

It was reported in Washington that Chace will attend a regularly scheduled transportation meeting in Ogden, Utah, March 11 and 12 and then will come to California.

AWARDS GIVEN AT GIRL SCOUT MEET

Girl Scouts and Brownies celebrated the 42nd anniversary of their founding on Monday when they heard the life story of Juliette Low and later refreshments were served.

The presentation of awards was made by Mrs. Fred Pedley, leader to the following girls: Karen Smart, Donna Gracik, Terry Ellis, Patty Finnigan, Vicki Firpo, Lyla Frates, Kathleen York, Frances McGinn, Shirley Guymer, Helen Kohl, Linda Elf, Shirley Patton, Kittie Ellis, Lielanie Brassch, Betty Baysinger, Kathy Curran, Carol Gracik, Mary Ann Miller, Ellen Patnoudé, Sue Guymer, Wilana Curran, Rosalie Kaspian, Rosalie Christensen, Dorothea and Varlen Frey, Carol Ann Quilici, Janice Gray, Janet Allen, Carol Patnoudé, Stephanie Firpo, Cynthia Reynolds, Tura Anne Kaylor, Anita Diaz, Diana McGilhon, Joan Stallard, Jesse Rablin, Nancy Kaspian, Janice Notley.

CHAMBER MEETS NEXT TUESDAY

Howard Newshaw, president of the Chamber of Commerce, announced that the next meeting of the Chamber will be held at Donner Lake Lodge at 6 p.m., Tuesday, March 16. A number of important issues are scheduled for consideration and a good turn out of members is urged.

Obligation Night For Star Slated

The regular meeting of the Order of the Eastern Star will meet on March 16 in the Masonic Temple. Worthy Matron, Dorothy King and Worthy Patron, Dan Anderson, will preside.

It is to be the annual "Obligation Nite," when the obligation of the order will be renewed by all members present.

All members and visiting members are urged to attend. Hilda Renck is chairman for the evening.

Mr. and Mrs. R. F. Eberhardt are the proud parents of a baby daughter, Mindy Yvonne, seven pounds, 14 ounces, born at the Tahoe Forest Hospital Wednesday afternoon at 3:26 o'clock. Eberhardt is a member of the faculty at the high school.

New State Plant Here Is Officially Opened at Party

Mr. and Mrs. F. W. Fox were hosts Saturday evening at the dedication of the Division of Highways Maintenance offices and workshop buildings, recently finished here at an estimated cost of \$225,000.

The group of buildings is said to be one of the most modern of its type and the general public is invited to inspect the premises on Sunday afternoon March 14 between the hours of one to four.

M. K. Fuday was chairman of the affair when more than 80 guests from several California towns attended. A delicious buffet supper was served.

Guests at maintenance buffet and dedication were: Mr. and Mrs. John Stagnaro, Mr. and Mrs. Roy Arnold, Mr. and Mrs. Fred Watt, Mr. and Mrs. M. L. Blackwell, all of Sacramento.

Mr. and Mrs. R. I. Nicholson, Mr. and Mrs. William Miller, Mr. and Mrs. F. F. Gambrel, Mr. and Mrs. Ray Rusk, Mr. and Mrs. Gilbert Mulcahy, Mr. and Mrs. P. R. Lowden, all of Yuba City.

M. Petersen, Reno; Mr. and Mrs. J. J. Lloyd, Colfax; Mr. and Mrs. T. T. Buell, Nevada City; Mr. and Mrs. H. Y. Horn, Oakland; Mr. and Mrs. C. H. Weeks, Auburn.

From Donner Summit and Truckee: A. Bertolozzi, Sy Gamlin, Mr. and Mrs. M. K. Fuday, Wesley Barnhart, S. O. Ronningen, Mr. and Mrs. O. Alexander, Mr. and Mrs. E. Parkhurst, George Bening, Mr. and Mrs. H. Cardinal, H. H. Thompson, Mr. and Mrs. E. V. Single, Mr. and Mrs. William Fordham, Mr. and Mrs. Gale Brown, Mr. and Mrs. A. Ayala, Mr. and Mrs. Daven Morey, Mr. and Mrs. Ed Freeman, Mr. and Mrs. William Stevenson, Mr. and Mrs. D. Knoefler, Mr. and Mrs. David Rose, Mr. and Mrs. John Street, Mr. and Mrs. James Walker, Mr. and Mrs. R. Edwards, Mr. and Mrs. J. Phipps, Mr. and Mrs. H. Hocker, Mr. and Mrs. W. F. Curran, Mr. and Mrs. Ernest Olson, Mr. and Mrs. H. I. Snider, and Mr. and Mrs. Reg Smart.

School Activities Cancelled for Year

Due to the fact that an indefinite number of students conducted themselves in an undesirable manner at the High School Carnival on Friday, March 5, 1954, it has become necessary to cancel all extra-curricular activities for the remainder of the school year.

This action was taken by the Faculty and Administrator of the Tahoe-Truckee High School after a two-hour meeting during which there was very careful consideration and deliberation of all the factors involved.

IMPROMPTU SKI MEET HELD HERE

The impromptu ski meet held here Sunday proved successful from the standpoint of those participating under the direction of Red Jolly and N. E. Stone.

Class A, B, C, and D slalom first place winners, in order are: Ray Dixon, Joe Miller, Varlen Frey, Steve Besio. Those placing second in those events are Jim Harris, Allen Young, Dorothea Frey and Gene Miller.

Ray Dixon again took first place in Class A jumping and second place was won by Jim Harris, who made the longest jump of the day.

Class B jumping first place was attained by Joe Miller and Sam Medford came in second in this event.

World Art Course For Truckee Girls

Through a group of its members, the Wyethia Women's Club has subscribed to a World Art Course for the Truckee Girl Scouts and Brownies and will also give it to the school for use there. Mrs. Gladys Pedley, club president, announced.

The course is in color, provided through the Book of the Month and will show world famous paintings in miniature with the story of the life and work of the artist.

Rafael Jolly, a Truckee artist, is assisting the Girl Scouts and Brownies in their art work.

Mrs. John Neugebauer was hostess at a party on March 6 in honor of their son Jerry's birth date.

Storm Hampers Travel; Causes Streams To Rise

With 17 inches of snow on the ground in Truckee, 14% of which came during the current storm, the precipitation figure for the season has risen to 19.58 inches. This is only 3.15 inches below normal for the end of March, which is 23.73 inches.

The storm in this region started Sunday night with a gentle spring-like rain, which developed Monday into a real downpour which caused streams to rise to near the danger stage, causing some concern in the lower elevations.

Tuesday night the rain turned to snow and a real mid-winter blizzard lashed the area Wednesday, causing lengthy delays in highway travel because of poor visibility. The snow stopped any flood danger and no damage was reported.

Today scattered clouds with snow flurries were in order with a prediction of continued blustery, chilly weather for a few days.

RESULT OF BOY SCOUT DRIVE IN AREA SHOWS \$952

Final results of the recent Boy Scout fund drive was revealed this week by Everett O'Rourke, the drive chairman who said \$952 had been collected or pledged.

This figure was far above the anticipated goal, but demonstrates Truckee's willingness to cooperate in worthwhile projects.

Bill Dorsey, field executive of the Tahoe Council was here on Tuesday and expressed his appreciation for the outstanding job done by the local committees and donors.

NEW OFFICERS INSTALLED HERE BY P-TA UNIT

Superintendent of Schools Everett O'Rourke was installing officer at the Parents and Teachers meeting held on Monday evening in the Truckee Elementary School when Mrs. Gilbert Kumble was seated as president and Mrs. Frank Giovannoni and Lynn Kishbaugh became first and second vice presidents; Mrs. David Rose, secretary; Mrs. Charles Kay, treasurer; Mrs. J. H. Roberson, parliamentarian.

The High School choir and band, under the direction of Joseph Mustel were heard in several selections and gained the appreciation of the audience.

Mrs. Robert Leamon, past president was presented with a gift by Mrs. Kumble in behalf of the members of the organization.

The last week of April will be Public Schools Week it was announced. No meeting will be held next month as Easter vacation occurs during the regular meeting date.

TRAFFIC FILMS TO BE SHOWN AT MEET

Sgt. Ed Freeman and local California Highway patrolmen will speak and show three films on highway safety in the Capitol Hall at 8 p.m. on March 18, sponsored by the Wyethia Club.

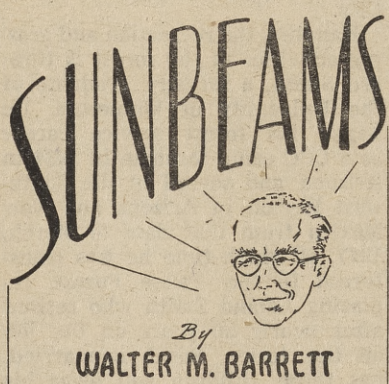

Mrs. Fred Pedley, president, announced that members of the club are invited to take as many guests as they wish to hear the instructive talks. The Tahoe Women's Club members will also be guests.

Traffic Memorial Week Is Observed

The week of March 7 through 13 is being observed as Traffic Memorial Week in memory of highway deaths and is sponsored by the Wyethia Women's Club locally.

Although winds during the past few days have almost obliterated the sign, the black flag has been flown at half mast on the traffic indicator staff here as a reminder of the lives lost in needless mishaps.

Governor Goodwin J. Knight has sent the Wyethia Club a letter of commendation for its work and has approved this week's tragic observance. Mrs. Gladys Pedley announced.

A summary study of the engineers' report on the proposed bureau of reclamation's Stampede project for the Little Truckee River reveals both good and bad points. We believe that this report, before it gets into the congressional hopper for final action, should be given careful scrutiny by all interested local groups and individuals. A project of this magnitude naturally will have some immediate local benefits through a possible boost in employment and some anticipated increase in retail trade. However, what the long-range results will be is a matter of pure conjecture and it is this phase of the proposed development which should be given more than casual consideration. Naturally, great benefits should be enjoyed by Nevada interests as an outcome of the projects completion. How it can benefit this immediate area in California is a proper question, and one which Californians should consider closely. If it will eliminate future local water and power projects, cause damage to wildlife and fishing, or stand as a barrier in future development of the area's potential industrial or recreational advancement, then the small benefits gained through actual construction will be far more than offset, and changes to counteract these points should be made in the plans now. We are not sufficiently informed to take any definite stand, but we do believe that the matter should be thoroughly gone into before it is too late, to recommend alterations.

HOSPITAL BOARD DISCUSSES PLANS AT TAHOE MEET

Officials of the Tahoe Forest Hospital Monday provided the program at a joint session of the Brockway Rotary Club at Kings Beach by explaining the hospital program and plans.

Dr. H. M. Holmes presided at the session and representatives numbering over 70 were present from the Truckee Lions, Rotary and 20-30 Clubs, the Tahoe City Rotary and Lake Tahoe Lions.

Hospital officials attending including board members C. R. Heller, Asa Abbott and James Sherritt, Administrator John McGlade and Dr. George Hahn and Dr. Sidney Kase.

Lee Madden's plan to provide a television set for the recreation room at the hospital was greeted with interest and he was appointed to proceed with the plan which will be participated in by service clubs in the hospital district.

LOCAL GIRLS MAY DRILL IN CAPITAL

Donner Council, No. 13 Pythian Sunshine Girls were extended an invitation to exemplify their ritualistic work and public drill in Sacramento, April 15, for the Knights of Pythias and Pythian Sisters.

The invitation was received by Mrs. Pearl Heller when she was honored on February 16 by the Sacramento Temple as deputy state organizer on her official visit. A Council will soon be instituted in the capital city, the Truckee organization to assist them.

The girls will be accompanied by their royal advisor, counselors and Pythian Sisters.

Nancy Marquis, royal princess, presided at the March 3 meeting of the group and Pearl Heller served refreshments.

Spaghetti Dinner On Saturday Night

The public is reminded that there will be a spaghetti dinner to be given Saturday evening, March 13 in the Methodist Community Church edifice. The food will be home cooked and a nominal sum will be charged, less for children's plates.

Travel Slump Is Traced to Road Block in Nevada

As a result of Highway 40 being closed by a rock slide just across the state line in Nevada last month, travel through Truckee into California took a very substantial decline during February, a report by the state department of agriculture shows.

There were only 9,962 cars, 1522 trucks and 382 buses checked at the Truckee quarantine station during the month as compared to more than 16,000 cars during January and 22,270 during February a year ago.

Even with the slide handicap, which diverted virtually all travel over Highway 50, the local station still exceeded Meyers on the latter route by more than 1000 cars.

At Meyers the count of vehicles at the quarantine station was 8,456 cars, 729 trucks and 75 buses, or more than triple the number checked during January and more than double the 3,577 cars checked there in February, 1953.

Despite the low count last month, Truckee was in seventh place as a port of entry into California.

The volume of traffic entering California by automobile during February lagged slightly behind what it was a year ago.

State bureau of plant quarantine records showed a traffic count of 181,051, compared with 190,697 for February, 1953. The total number of car and bus passengers also was down, from 554,328 a year ago to 522,887 this year.

LINDA LOYND IS STUDENT SPEAKER CONTEST WINNER

Linda Loynd, freshman at the Tahoe Truckee High School was judged winner of the Lions Club speaking contest at the meeting of the club held at Donner Lake Lodge on Wednesday evening. The subject of the talk was "What the Constitution Means to Me."

Charlotte Ray and Jude Commagere were also commended for their speeches by the judges, Mrs. Robert Briggs and Mrs. Everett O'Rourke.

Superintendent of Schools Everett O'Rourke was in charge of the program and Earl Stice presided at the meeting as president Charles Heller was ill.

Other guests of the affair included Mrs. Walter Loynd, Miss Thelma Finger, Dan Hesse, Glenn Lee, Mr. and Mrs. Jim Commagere of Squaw Valley.

BRUCE KUEHN DIES SUDDENLY AT BAY

Funeral services were held in Oakland on Tuesday for Bruce Kuehn of Nevada City. The rites were read by Dr. W. P. Reago and interment was at Mountain View.

Kuehn was well known at Lake Tahoe and Truckee where he had engaged in business for several years.

The deceased, a native of Piedmont, died suddenly of a heart attack while visiting in San Francisco.

Survivors are his widow, Latizia, his mother Mrs. M. F. Kuehn of Oakland and a sister who lives in Washington.

Girl Scouts Here Observe Founding

At its Tuesday meeting the Donner Girl Scout Troop celebrated the 42nd birthday of Girl Scouting in the United States and invested two members. Mrs. Oliver Scow, troop leader conducted the informal investiture ceremony welcoming Lois Freeman and Mrs. Frank Giovannoni, assistant troop leader, into the Girl Scout organization. A cake made by Karen Knoefler and Susan Scow was served. Mrs. Freeman and Mrs. David Rose were guests.

After the meeting the whole troop participated in a project to earn money toward summer camping trips by making surgical supplies.

Birthdate—

Frances Ann, daughter of Mr. and Mrs. Doyle McGinn celebrated her birth date on Tuesday, the recipient of presents and many happy thoughts for the day.

Stampede Project Being Studied By Local Groups

Truckee and Lake Tahoe interests are studying the possible effects on this area from the proposed development of the Stampede Project as outlined in a United States Bureau of Reclamation report which may be submitted to congress in the near future.

The engineers' report has been completed, calling for a total expenditure of \$42,000,000 to develop the so-called Stampede project and a similar project on the Carson River in Nevada.

The bureau has invited comments from state and federal agencies and local water users. When these are received and studied, the plan will be sent to the bureau of the budget for congressional action.

The plan briefly calls for a dam and reservoir at Stampede on the Little Truckee river in upper Dog Valley. A tunnel would be constructed to connect the dam with the Truckee river below the Fleisch powerhouse just west of Verdi.

This five and a half-mile tunnel

The board of directors of the Truckee Public Utility District Tuesday passed a resolution opposing construction of the Stampede Project as currently planned and urged further study and revision of some of certain proposals.

The board took the stand that the project, in its present form, will deprive this section of California of a water and power right potential.

would divert water to the proposed Cal-Vada power house in the Sierra Pacific Power Company's system, but would result in elimination of the Farad and Fleisch power houses, with the government reimbursing the company for that loss.

Eliminate Boca
The project would eliminate the necessity of the present Boca reservoir, which would be used only as a supplemental holding dam and for fish propagation purposes.

The tunnel and Stampede dam, it has been pointed out by opponents of the plan, would deprive the eastern edge of California of approximately 20 miles of water which normally flows from Boca down the Truckee river. It is held that this loss of potential water power might at some future date be felt by this region.

Proponents declare that better regulation of the water in Lake Tahoe and the Truckee river could be accomplished through the Stampede project, since that project would provide sufficient water for power and irrigation without drawing heavily upon Tahoe and Donner as it required during dry years at present.

Construction of the Watasheam Dam and power plant on the Carson river is included in the overall project.

Engineers have estimated that electrical power sales would repay most of the cost of the entire program.

District Opposition
C. Edmunds, manager of the Truckee Public Utility District, said he is giving considerable study to the project and indicated that the project would be vigorously opposed on the basis that it will divert water and power potential directly into the state of Nevada without permitting California interests to benefit to any extent.

"Too many of our natural resources are being wiped out for the benefit of everyone outside this immediate district," Edmunds declared. "It is high time we started a concerted fight to retain what is left of our water and other natural resources before we find ourselves a source of supply for others and entirely without for ourselves."

Mrs. Koolhof Feted At Stork Shower

A pink and blue shower was given Monday evening in honor of Mrs. Albert Koolhof, Jr., by Miss Esther Harris, Mrs. Lincoln Dempsey and Mrs. Glenn Lee, in the home of the latter.

Many lovely gifts were opened by the complimented guest, games were played and delicious refreshments were served by the hostesses.

Those present included Mesdames Jack Ellis, Chester Burns, Harvey Hocker, Heslin Cardinal, Harry Digesti, V. Goodpasture, Roy Elf, Robert Saunders, John Finnegan, Kenneth Hedlund, Darrel Knoefler, Jeanne Petre, Miss Eleanor Dominguez.

MARCIA LEAMON PARTY HONOREE

Marcia, daughter of Mr. and Mrs. Robert Leamon is the incentive for a supper party give today in their home, the occasion is the seventh birth date of the little girl. Spring-like table decorations and favors add interest to the event for the small guests.

sonality sketches, but first we
would like to tell you a bit about
our organization structure, so that
you would more clearly under-
stand how an individual might fit
into the forest setup.

Under the forest supervisor are
five staff officers, each assigned to
handle a particular phase of
the work which we do. Under each
of these staff officers are subor-
dinate workers who assist in the
carrying out of the details of the
job.

The forest as a whole is divided
into seven ranger districts which
are natural geographical units so
situated to give the best and most
effective management of the land.
Each district is supervised by a
district ranger and under this
officer are subordinate workers
who carry out all of the phases of
the job as would be required to

carry on the duties of management.

This column will be devoted to
the people in charge of the five
major divisions of the work in the
supervisor's office which are (1)
timber management, mining, ac-
quisition and basic land use; (2)
recreation and grazing; (3) Fire
control; (4) engineering and water
management; (5) administrative
services and special use permits.

Handling the timber manage-
ment, etc., job is Henry E. Bran-
nagh, a graduate forester of the
University of California. Bran-
nagh entered the forest service in 1942
as a scaler. He served of the El
Dorado, Stanislaus, Shasta, Lassen,
Los Padres in various positions,
coming to the Tahoe in 1950. Bran-
nagh is married, has three child-
ren and owns a home in Nevada
City.

Handling the recreation and graz-
ing activities of the forest is How-
ard Smith, a forestry graduate of
the University of Minnesota. He
began his forest service career
as a CCC camp foreman in 1934 in
Arizona and served in the South-
west Region in Arizona and New
Mexico from that date to March,
1947, at which time he was trans-
ferred to the Tahoe Forest, re-
placing Leland Smith who retired
after nearly 20 years on the job
on this forest. Smith is married,
has three children and owns his
home in Nevada City.

Keith Macdonald, our fire con-
trol officer, has been in the ser-
vice for 25 years. He started as
assistant ranger on the Stanislaus
forests and served in various steps
on the Mono, Mendocino and Plu-
mas forests, being transferred to
the Tahoe in his present capacity
in 1946. He is a resident of Nevada
City, married and has three daugh-
ters.

J. Marvin Shock is our forest
engineer. He attended University
of California and served out of
our regional office in San Fran-
cisco from 1925 to 1945, traveling
widely throughout the region in
performing various engineering
duties, mostly in regard to road
location and construction. He was
made forest engineer of the Tahoe
in 1945 and has served in that
capacity since. He is married, a
Nevada City home owner and his
one son is attending high school
at Grass Valley.

In charge of administrative ser-
vices and special land uses of the

Radio, Patrolmen Asked For County

Nevada County Board of Super-
visors among routine business at
its meeting last week, authorized
an application for \$5434 worth of
radio equipment for the sheriff's
office on a 50-50 basis, with the
federal government civil defense
program.

The application must be in this
month to be eligible for funds al-
though no action need be taken
until 1956. Sheriff Wayne Brown
asked that the board file the ap-
plication immediately and request-
ed that they also take action in the
near future.

County Clerk R. E. Deeble was
instructed by a minute order from
the board to have District Attorney
Vernon Stoll draw up a resolution
requesting a survey of Nevada
County by the California Highway
Patrol commission in an effort to
obtain additional patrolmen for the
county from the 800 new officers
requested in a bill now before the
state legislature.

Attend Dinner Party—

Joe Mattos, William Curran, F.
W. Wilson, Kieth Stewart and
Jack Pierce were among those at-
tending the big annual Elks Club's
dinner at Nevada City last Thurs-
day.

forest is Charles E. Everhart. He
attended University of California
and started his forest service car-
eer with the California Forest and
Range experiment station in 1933.
In 1939 he was assigned to the
Tahoe as chief clerk, remaining
in that position for three years.
He was then assigned to the Mono
National Forest in Reno and later
to the Toiyabe forest. His next
step was to the regional office di-
vision of personnel management,
thence to the Six Rivers National
Forest and returned to the Tahoe
in his present capacity in 1950.
He is a home owner at Town Talk,
married with two daughters.

This group of employees is rich
in experience and has been well
knitted into an integrated team by
Supervisor Guerdon Ellis. It aver-
ages over 20 years of experience,
with each having served in a var-
iety of posts in the service.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

March 1, 1954
To Whom It May Concern:
Subject to issuance of the license
applied for, and commencing not
less than 15 days after the date
posted, notice is hereby given that
the undersigned proposes to sell
alcoholic beverages at these pre-
mises, described as follows:
Texas Jack's, 1/2 mile S. of Kings
Beach, Placer County.
Pursuant to such intention, the
undersigned is applying to the
State Board of Equalization for is-
surance on original application of
an alcoholic beverage license for
these premises as follows:
On sale general (seasonal quart
erly).

Anyone desiring to protest the
issuance of such license may file
a verified protest with the State
Board of Equalization at Sacra-
mento, California, stating grounds
for denial as provided by law. The
premises are now licensed for the
sale of alcoholic beverages.

NORTH TAHOE

by HARRY CHARRISON

This community, and yes the whole lake, has experienced a big loss in the passing of a pioneer businessman and promoter, a man that was well known to pretty near everyone that lived in or around Brockway or Kings Beach—Harry

O. Comstock of the Brockway Hotel, the golf course and the water company. All these enterprises contributed greatly to the amazing growth of North Tahoe, of which he was mighty proud. The property owned by Harry and Mrs. Comstock virtually presented a little empire before it was sold, little by little, to willing buyers. I could go on telling a lot about his activities around my home town of Pasadena

where he put in many active years to good advantage to its citizens. I am sure our heartfelt sympathy goes to Mrs. Comstock and family in their great loss.

Well, saw our friend Larry Sheridan here a few days ago. He was looking fine and said he was pretty good. Larry came alone, leaving his sweet little wife in Fresno where they will most likely make their home. Sure that Pat and Mike would take care of her, Larry was here looking over his home which he intends to dispose of if possible. Sorry they are not coming back.

Stopped in at the Stanley Kleins this week. They are building a really up to date apartment in Kings Beach—seven of them, all sleeping apartments. The building is very handsome with a redwood finish. This building that is almost finished has been accomplished by Stanley and his wife. And by the way, his wife is every bit as good a carpenter as he is, or for that matter painting, plumbing of what ever there is to do in building an apartment, she can do it. They already have apartments on the property and it is called The Falcon Court.

Otis Wing is also building new cabins on the rear of his Wing Chateau in Kings Beach on the highway and will have them ready for the season.

Minnie Wagner, always ready in a pinch, is taking care of the family of the Willis Mizners while the latter are in the east visiting their parents.

Well, Dave Ashton, who is wintering at Pasadena, celebrated his 15th birthday on March 10th. He writes his grandparents, which is us "don't send me much, only socks, Levis, airplane, bicycle rim, underwear, shoes and anything you can think of." He's so cute, just like his mummy.

Had a nice friendly hello from Beverly Williams who has a home on the golf course, also a beautiful home in Pasadena. She writes that "the column in the Sierra Sun makes us homesick for the lake, just can't wait until summer comes when we can stay the whole summer through." We shall be glad to see both Beverly and Wyman, not forgetting young Randy, just seven months old this week. He's quite cute, too. So his grandpa says.

Arnold Miedema is back at work at the Truckee quarantine station after galavanting all over the U.S. He brought good news from his son and daughter in law who are in Florida, and the big news is that a bambino is expected this month. Mrs. Miedema is staying in Johannesburg taking care of the family while her sister, Madeline

is in the hospital undergoing major surgery. We are praying that it will be entirely successful and that she will be in good health afterward.

Mel Throop says don't forget the Variety Show at the Brockway Theater in Kings Beach on the evening of March 17th at 7 P. M. which the Tahoe Lions Club is sponsoring. Mel also says his good wife has left for Sacramento to visit her dad and will be away about a week. Poor old Mel.

As I sit writing this on Sunday morning the buses are up and down the road loaded with winter sport fans. It has been another beautiful weekend with all indications that spring is just around the corner. We hope. The Truckee shortcut is still open.

An excellent message was given at the Wee Kirk o' the Pines at Kings Beach last Sunday morning by Mr. A. B. Covher of Reno. This being the first Sunday in Lent the service was built around that. The attendance was almost double that of the week before and the Sunday School attendance went up from 38 to 58 for this week. Mr. Covher announced that he will be in the pulpit at least until June 1st and the majority are hoping that he will be able to continue after that date. He informed the congregation that he and Mrs. Covher will move to Kings Beach during the week and will, for the time being, live in one of the A. C. Abbott cottages on Fox street. Don't forget services will be at 11 A. M. each Sunday morning, with Sunday School at 10 A. M.

Imagine real estate brokers getting busy already, and quite a bit moving too. Earl and Mrs. Gray, M. H. (Hank) Dodd, Harry Stuble, Jack Braden all hobnobbing around, putting up signs here, taking them down there. This all goes to show that this area is always growing in popularity. As Earl Gray said: "Each year, now we make an earlier start."

Talking to Fred Barton, who by the way, has purchased a brand new car; one in which they will take a trip. Just where to, they are not certain. Fred says that leaving the lake is not easy as he has enjoyed so many good years here. However he is getting ready to move and the new owner, Ned Malla, is getting ready to move up here.

It was with sorrow that we learned of the passing of Mrs. Madge Orrell Hill, 68, of Kings Beach. Mrs. Hill passed away last Tuesday at Truckee. The body was taken to East Lawn at Sacramento for funeral services and a large number from this area attended. Mrs. Hill, a native of Texas, had lived

Tahoe Items

by Jeannette Mitchell

Dear Friends and Neighbors: As I sit here writing to you today I see we are still within the throes of a deluge which has descended upon us and believe me the old weather man is having a hard time trying to decide on just lovely soft April shower stuff or the proverbial March lion. It is certainly making short work of the present snow pack.

Have just returned from a trip to the valley with friend husband and son Dale. While there the entire Mitchell clan gathered for a pot luck dinner to welcome back into the fold the I. N. Mitchells of Klamath Falls, Oregon. Grandma and Grandpa L. M. Mitchell of Sutter were there to cluck over some 12 grandchildren owned respectively by the Iom Mitchells of Tahoe, Glenn Mitchell of Grass Valley, C. L. Mitchells of Sutter and William Hommerbockers of Marysville. Methinks, I should have a family coat of arms with the motto "You All Come." Well, folks, so much for the Mitchell family.

I have word that our boy, Chris Beavers celebrated his fifth birthday on February 24th in Reno where he is wintering with his mother and dad, Solveig and Butch and his sister, Nancy. Mr. and Mrs. Ronning, Chris's maternal

here for many years and was well known. She had been ill for a number of years and while her passing was not unexpected, it was a shock to her many friends who join in expressing deep sympathy to the family which includes her husband, Jay P. Hill and her son, Herschel O. Hill and family.

Wally and Mrs. Skaggs spent a few days in Sacramento during the past week.

Gene Faulkner and his good wife are back in town after quite a stay around Barstow. Mrs. Faulkner says too much desert for her, so they are back to stay. She says the Sierra Sun was always welcomed. Gene tells me he is going into the plumbing business around this area. Sam and Ruby Faulkner are just back from a visit with Ruby's parents in Maryland. Had quite an enjoyable trip from all accounts.

To Southland—Mr. and Mrs. Howard Guth of Tahoe Lodge are leaving on a combined business and pleasure trip to southern California.

Mr. and Mrs. Fred Wade who were in Hinkley have returned to their Kings Beach resort and are glad to be back.

CLASSIFIED

ALTERATION and DRESSMAKING RUBY RUSSELL, originally with Joseph Magnin, Reno. HOTEL TRUCKEE, TRUCKEE, CALIF

HOWARD CARNELL TO WED RENO GIRL NEXT JUNE

TAHOE CITY—The formal announcement of the betrothal of Miss Myrtle Coates of Reno to Howard Carnell of Tahoe City, was made at her sorority meeting early in March. The wedding date has been set for June 12th and following the rites, the young couple plan to reside at Tahoe City.

Miss Coates who will be a graduate from the University of Nevada on June 7th, is the daughter of Mr. and Mrs. Andrew Christensen of Reno, Nevada.

The future benedict, a native of Meeks Bay, is the son of Mr. and Mrs. Floyd Carnell of Tahoe City and is well and favorably known in this district. He returned home after serving with the 1st Marines in Korea and since his return has been employed here and at Reno.

WOMENS CLUB AT TAHOE SELECTS NOMINATING GROUP

TAHOE CITY—The Women's Club of Tahoe held their regular monthly meeting at the Pfeiffer House Thursday, March 4th with 21 members present.

Mrs. Stella Watson presided in the absence of the president, Mrs. Howard Guth. The rooms were gaily decorated in beautiful spring flowers which Mrs. Watson brought up from her home at Shingle.

A delicious luncheon was served followed by a business meeting. Mrs. Albert Snyder was appointed as chairman of the nominating committee with Mrs. Ann Martin and Mrs. Louise Geier as co-chairmen. Following the business meeting, canasta was enjoyed. The next meeting will be held April 1 at the Pfeiffer House.

SNOW DIMINISHES IN RAIN AT LAKE

TAHOE CITY—With a gentle rain falling throughout the area today, the snow pack at Tahoe is fast diminishing the 19 inches that remained on the ground Monday.

Prior to the current storm, the only precipitation recorded was .26 of an inch Monday. Temperatures have ranged from a low of 18 on March 2nd to a high of 50 on Sunday.

The lake level stood at 6227.56 with three gates open.

Mr. and Mrs. Floyd Carnell arrived home on Sunday from Carlsbad where they visited her father and also visited Mr. and Mrs. Bernard White and Mr. and Mrs. Norman Mayfield at Sacramento.

CARD OF THANKS

We wish to extend our sincere thanks to our many friends and neighbors for their kind sympathy and for the beautiful floral offering. Especially we thank the entire staff of physicians of the Tahoe Forest Hospital, who we feel did everything in their power to ease the suffering and pain of our beloved late wife and mother, Madge O. Hill.

Jay P. Hill
Herschel O. Hill and family.

grandparents motored up from Palo Alto to honor Chris on this event. Many happy returns, Chris.

Friends will be happy to know that Patricia, Joe and Marie Henry's lovely daughter, will be married this coming Sunday at Reno. Further details are in the Sierra Sun today.

Marie Henry's mother, Mrs. Mary Plannett is coming along fine now and enjoying the many greetings being sent her from far and near.

Received word from the Steve Koriches who are having fun down Las Vegas way and enjoy their Sierra Sun down there as it keeps them in touch with the lake.

Our friends, Zella and George Mortimer are also wondering what we folks are doing up here and when they find out how fast the snow is going, it won't be long and they will be returning.

Among those leaving us for a while are the Howard Guths and the Al Sanfords.

Several of we ladies enjoyed a lovely luncheon last Thursday at Squaw Valley with Mrs. A. Castellanos as hostess. Those attending the enjoyable afternoon were Mrs. Ann Sach, Mrs. Blanche Donaldson, and Mrs. Imon Mitchell.

I haven't been able to attend the upholstery class held Monday night at the Tahoe Lake school in Tahoe City. Mrs. Bean tells me there are some 20 enrolled and many are ahead of their project. Even some of our men are enrolled and find it most engaging and are doing fine.

Had the pleasure of meeting the older son of Mr. and Mrs. Bill Williams who will remain awhile with his parents here at Tahoe. Bill is out of the navy where he was a frog man and put in his stint over seas at seven month intervals.

And now my friends 'tis time for the Ides of March, so beware—come sun or snow?

Bye for this week.

Jeannette Mitchell

From where I sit... by Joe Marsh

Easy Does It—Again!

Ladies Aid Society had their rummage sale the other night—and as soon as the doors opened, "Easy" Roberts was inside.

Without a word, he headed straight for the coat counter, picked out a shabby old tweed jacket, and paid for it. "Easy" told me a little later that buying his jacket back was getting to be a regular habit.

"That's been my favorite smoking jacket for years," he said. "And my wife talks me into giving it away regularly. Then I get to thinking how much I like

it and hurry down to buy that jacket back. This is the third time I've done it!"

From where I sit, everyone's entitled to his own likes—whether it's a sports jacket, a baseball team, or the beverage he likes for dinner. For example, the wife likes coffee along with Saturday night spaghetti while I, like a glass of beer. We never try to "sell" each other on our personal preferences.

NOTICE OF ELECTION

For members of the governing board of the Tahoe-Truckee Unified School District

NOTICE IS HEREBY GIVEN to the Electors of the Tahoe-Truckee Unified School District of Placer and Nevada Counties, California, that the Annual Election for Member of the Board of Trustees of said district will be held on the third Friday of May, viz, May 21, 1954.

It will be necessary to elect one member.

The polls will be open between the hours of 1:00 o'clock P. M., and 7:00 o'clock P. M.

The returns will be canvassed at 8 P. M. o'clock on May 28, 1954.

The officers appointed to conduct the election in the above named district are:

Precinct No. 1—KINGS BEACH ELEMENTARY SCHOOLHOUSE: Janice Bailey, Inspector Ruth Lavery, Judge Minnie Wagner, Judge Precinct No. 2—TAHOE LAKE ELEMENTARY SCHOOLHOUSE: Bernadette Bechtold, Inspector Luella Griffith, Judge Elaine Wright, Judge Precinct No. 3—TRUCKEE ELEMENTARY SCHOOLHOUSE:

Tahoe-Truckee School District News

Kings Beach School
KINDERGARTEN AND FIRST GRADES: Chris Althof and Steven Felle finished painting the barn they have been working on. Phil Thompson brought some straw that we will put in the farm when it is completed.

We saw two more film strips in the health series about Peter

Lucille Bick, Inspector Dorothy Rose, Judge Anona Loynd, Judge Precinct No. 4—OLD FLORISTON SCHOOLHOUSE: Katherine Ayala, Inspector Lillian Miller, Judge Jane McClain, Judge Precinct No. 5—DONNER TRAIL ELEMENTARY SCHOOLHOUSE: Velda Parsons, Inspector Vera Petrochi, Judge Patricia Woodard, Judge (Signed) ALBERT F. BEQUETTE, Superintendent of Schools.

March 2, 1954. M4-11-18

and Susan.

Our movie Thursday was called "Care of Pets". In it we learned the proper care for a canary, fish, a cat and three months old puppy.

Martha Grout left last week with her family for Kansas. She has promised to write us a letter when she gets there.

Thursday of this week, Jim Gill moved from Kings Beach to Reno.

SECOND AND THIRD GRADES: We had two lessons in conservation this week. We learned that conservation means "wise use of our natural resources. Dennis Decker brought a map of California showing the state parks and beaches.

Suzie Lucas has received her small pox vaccination. She was the only one in our class to be immunized.

FOURTH, FIFTH AND SIXTH GRADES: We enjoyed class discussions about Conservation Week.

Our class kept the thrift pennant again this week. We banked \$12.35. Lorraine Gill moved to Reno on Thursday and will be missed by her former classmates.

Since the snow melted we have been able to have our physical education time out of doors.

Truckee Elementary
KINDERGARTEN: We culminated our week's activities concern-

ing conservation by presenting three songs as our part of the all-school conservation assembly held on Friday.

John Goldsmith celebrated his sixth birthday this week. Members of the class enjoyed cupcakes made by Mrs. Goldsmith. Later in the day John was the honoree at a birthday party at his home.

We are glad to have Carolyn Vaughn back with us after her illness.

FIRST GRADE: The first grade studied about conservation this week.

We went on a field trip Thursday to look for signs of spring and signs of conservation.

SECOND GRADE: We enjoyed reading our Weekly Readers. This week we read about the March winds.

THIRD GRADE: The radio program "Down Science Byways" has been teaching us the wheel's importance to man.

FOURTH GRADE: After seeing movies on the California Gold Rush and Mission Days, several groups made a mill race and simulated adobe bricks.

During music period, Terry Ellis and Kathleen York presented pantomimes to Thumbelina and I Saw Mama Kissing Santa Claus. They had studied their parts and had a surprise for us.

New class officers were elected for March. Charles Glenn is our room host, Linda Giovannoni is in charge of balls and games and Karen Smart keeps the room in order. We now have 37 in our room.

FIFTH GRADE: The fifth grade is now studying the westward expansion of the United States and the pioneer life during that period. On March 5th they put on a skit about the saving of natural resources in the school. In the east

were Judy Giovannoni, Clark Kydd, Doug Single, Nicky Stone, Varlen Frey, Cynthia Reynolds and Sandy Van Sickle.

Clark Kydd is reading the class a story.

SIXTH GRADE: The school had some visitors Thursday. Mr. Darrell Knoefler and Mr. Erwin Single. They showed us movies on California State Parks and Fish and Fishing for Conservation Week.

In our study of Mexico the food committee brought in some tortillas for us. Mrs. Steele helped make them. We enjoyed the experience.

Donner Trail School

As this is conservation Week we studied many things about saving our natural resources. We saw a film about California's parts and scenic spots, and also a film on fishing for trout.

In our social studies we are making some covered wagons for display. Our younger group of children is making a new map of the community.

Tahoe Lake School

KINDERGARTEN AND FIRST GRADE: Farm scrapbooks are currently being pasted together by the first graders.

The kindergarten joined the first grade in seeing a film on the farm animals.

SECOND, THIRD AND FOURTH GRADES: Fred Pfeifer has returned to our school but unfortunately now has the mumps. We hope he will soon be well.

The children have been learning about conservation. Mr. Griffith of the California Division of Parks and Beaches told us many interesting things and showed a movie about California State Parks.

We have written a letter to Sandy Fellows to tell her what we have been doing. We hope she is enjoying her trip.

FOURTH, FIFTH AND SIXTH GRADES: Conservation has been stressed in our room this week. We have had discussions, reports and several movies on the subject.

We are planning a dance for students in our room to be held Friday, March 12. Trent Giannini, room president, is in charge of the affair.

In our monthly arithmetic tests the following had perfect papers: Trent Giannini, Chris Poulsen, Randy Pomin, Roberta Buford and Diane Speeter.

We have elected new helpers for March and April. The safety patrol is now headed by Doug Ball, with John Gorham, Jimmy Heuga and Randy Pomin as helpers. Judy Fanger was selected librarian. The other persons who were voted to help include Bobby Porter, Chris Poulsen, Diane Speeter, Steven Randall, Albert Gelmstedt, Thatcher, Billy Connors, Parker Bechtold, Roberta Buford, Gary Henry and Trent Giannini.

Miss Kathleen Starratt and Miss Ann Bridgman have arrived at Jackson Hole, Wyoming, following a trip through most of the eastern cities and places of interest en route.

TAHOE NEWS

Mr. and Mrs. Sam Sholand of Wells, Nevada, expect to return to Tahoe City for the summer.

Mr. and Mrs. C. W. Vernon were among the local people who enjoyed the boat show in San Francisco this week. They will take in other places of interest while staying in the bay district visiting with relatives.

Mrs. Ruth Droste is again at the lake after several weeks spent at Sacramento.

Resorts Looted

KINGS BEACH—Slim pickings were encountered by the burglar who entered two Lake Tahoe casinos Monday.

Sheriff's Deputy A. T. McCarter stationed at Crystal Bay, said the burglar entered both the North Shore Club and the Log Cabin Club. At the first he got \$9 after breaking into a dollar slot machine and two 50 cent machines. At the second he got nothing at all.

Like most other Lake Tahoe resorts, the two casinos are closed for the winter and have little on hand of value to wouldbe burglars.

TAHOE CHAMBER DELAYS ACTION ON PIER PERMITS

TAHOE CITY—The Lake Tahoe Sierra Chamber of Commerce has voted to table until the April meeting any action on the state's claim to fees for property owners maintaining piers and water intake lines extending into the lake.

It had been advocated that the property owners receiving notices of fee payments due refrain from making returns until the state's right to jurisdiction could be determined.

Directors asserted it appears the low level of the lake is a question to be decided and claims vary for such a level from 6218 to the state's claim of 6223 feet. Fred Main, chamber president, said if the lower figure is correct there are few if any installations which would extend into the lake.

Lewis Fellows is reported to have been given first award in a contest which entitles him to a two-weeks trip to Europe where he will be able to visit many famous ski resort areas.

Vernon Stoll Is Again Candidate
Vernon Stoll, who is rounding out 25 years as a resident of Nevada County, of which more than half has been spent in the service of the county as district attorney, today stated that he would be a candidate for reelection at the June 8th primary election. Stoll was elected to this office

Vernon Stoll

unopposed in 1950 with a very creditable complimentary vote.

The county's prosecuting attorney and legal advisor for the Board of Supervisors and all county offices and officers, within the last month successfully completed prosecution of Jack Santo, Emmett Perkins and George Boles, Jr., in one of the county's most sensa-

tional murder cases. In this he had the collaboration of Attorney General Edmund Brown's office in the assignment of Brown's deputy, Thomas Martin.

Apart from the time-consuming demands of trial preparation and courtroom appearances in the criminal department, the district attorney has observed the work of his office double and treble as Nevada County threw off the shackles of depression period and commenced to expand in population, subdivisions, county services, each of which brought new and multiple problems for legal review and guidance.

The Nevada county district attorney is president of the District Attorneys Association of California for 1953-54 and will be the presiding officer of the annual convention which will be held at Sonoma Mission Inn in June. He has served successfully in the vice presidents chairs and upon association committees. He is also a director of the National Association of Prosecuting and County Attorneys.

The county officer has also kept abreast of his professional field with membership in the California Peace Officers Association and in committee work for the California Bar Association.

Closer to home field, Stoll has

Winning Essay In Student Contest

The essay, judged as the best in the safety contest sponsored by the Wyethia Women's Club was submitted by Lee Rich of Bliss State Park at Lake Tahoe, a student at the Tahoe Truckee High School. Other students submitted a number of very appropriate and timely essays, but the following took first place:

An old cowpoke came driving out, one dark and windy day. He stopped when the light turned red, then continued on his way. But the light had not turned green and a truck was bearing down. . . .

The old cowpoke will never finish his ride into town.

Another day, another man, along that very same street,

Although he had the right of way his death he was to meet.

He kept right on a rollin' when he saw the light was green,

One car had passed but another one came . . . one he had not seen.

Another day, another death, and so the years went by.

They kept on having accidents, although I don't know why.

They should have realized by now, that when you're on the street,

No matter if you're in the right you don't know what you'll meet.

The moral of this story is no matter who you are,

Be careful when you're driving, for there's danger in a car.

No matter if you're right or wrong, the other might not care.

And if there is an accident, the blame you both will share.

Largest Center
The San Francisco Bay Area is the nation's sixth largest fruit and vegetable marketing center.

HUGE CAPACITY
A bulk grain elevator at the Port of San Francisco has a capacity of one million bushels.

served as chairman of the 17th District Agricultural Association (Nevada County Fair); member of service and civic organizations in the two cities and his fraternal societies.

TAHOE GIRL WILL WED NEVADA MAN AT RENO SERVICE

TAHOE CITY — Rev. Blake Franklin of First Baptist Church at Reno, will officiate at the wedding on Sunday of Patricia Henry Griswold of Tahoe City to Malcolm Fox of Reno. The services will be performed at 1:30 o'clock.

A reception at the Riverside will follow the quiet ceremony and the couple will later leave on a trip to Hawaii.

The bride elect is the daughter of Mr. and Mrs. A. M. Henry of Tahoe City and is well known in this community and at Reno where

VISIT LONG BEACH
Mr. and Mrs. Roy Stary of Tahoe City left this week for Long Beach where they will have a visit with their sons, Rome and Jay and their families.

she attended the University of Nevada.

Fox is the son of Mrs. George Fox, Jr., of West Chester, Pa. The newlyweds will make their home in Nevada or northern California where Fox plans to establish a business.

Their many friends will join in extending best wishes to the young couple.

IT'S WISE TO ADVERTISE!

A car that is in good running condition will give you a smooth and comfortable ride and assure you that you will arrive at your destination safely and on time.

DON'T WAIT FOR TROUBLE

Bring your car in for regular checkups and service and be assured of care free driving. We'll check your tires, brakes, battery and other essential parts. Don't take chances or guess.

TAHOE SKIERS WIN HONORS AT MEET

CISCO — Chester Zoberski of Hayward, competing for the Auburn Ski Club, won the Class A jumping event Sunday at the 24th annual Auburn Ski Club jumping tournament. His best jump was 150 feet and he scored 230.3 points.

Others placing in Class A were Martin Oroz, formerly of Truckee now skiing for the Reno Ski Club and Way Paulson also of Reno.

The Class C event was won by Gary Brumbaugh of the Lake Tahoe Ski Club and others in this event included Dick Mandeville of Lake Tahoe and Bud Sorenson of Reno. Kit Schull of Norden, skiing for the Sugar Bowl was second in the Class D event and Rex Donaldson of Tahoe was third; Ken Osburn of Truckee, fifth; Jim Henza of Tahoe, sixth; Danny Connors of Tahoe 10th; Parky Becholdt of the Tahoe Club, 11th; Trent Giannini of Tahoe 12th; Chris Paulson of Tahoe 13th and Billy Connors of Tahoe 14th.

Building Renovated—

The Masonic Hall Building has been undergoing interior renovation, following a burst water pipe on an upper floor last year. The kitchen used by the Lodge, the office of R. N. Little and the Sierra Sun office have been freshened by painting, done by Dennis Sach of Tahoe City.

In Hospital—

Mrs. Orlan Waters Tuesday underwent surgery at the Tahoe Forest Hospital. Her condition is reported as satisfactory.

At West Point—

Mr. and Mrs. L. Baysinger were weekend visitors at West Point this week.

From Capital—

Mr. and Mrs. Robert Leamon had Howard Leamon of Sacramento as their weekend guest.

FOR SALE—G. E. Refrigerator with 42 lb. separate freezer compartment. Electric range with double oven and grill. Maytag washing machine. Simmons spring and mattress with steel base in excellent condition. Many smaller household items. Phone Big Chief No. 1.

Wayne Brown To Ask Reelection

Sheriff Wayne Brown announced today he will be a candidate for reelection at the primary balloting June 8.

Brown's term in office has been a busy one, starting with the solution of the Miller Market safe burglary 17 days after taking of office until the recent closing of the Hansen murder case.

The Nevada County sheriff's office not only played a major role

in the solution of the Hansen murder but also obtained key evidence in the solution of the Plumas County massacre where Jack Santo, Emmett Perkins and Harriett Henson are waiting trial for the slaying of Guard Young and three small children.

Sheriff Brown has conducted a progressive office and kept criminal apprehension methods abreast of nationwide criminological advance. At the same time, he has kept expense of these developments at a minimum cost to the taxpayers.

In addition to his duties as sheriff, Brown has also accepted the assignment to head the county's civil defense program.

During his term in office and before he was elected to the post, Brown headed drives for the March of Dimes, Boy Scouts and American and Elks Lodge welfare activities.

Brown's family consists of a wife, June, a son, Jimmy and a daughter

CUB SCOUT NEWS

A planning meeting will be held in the home of Mr. and Mrs. Glenn Lee on Monday, March 15 at 7:30 p.m. All interested persons are invited to attend.

Mrs. Zuber is the new Den mother for Den No. 1, Mrs. Wilber Glenn having resigned the place. It is with regret that the boys said goodbye to Mrs. Glenn but at the same time welcome Mrs. Zuber.

Den No. 2 met preparing for the Pack meeting, with the help of Den Mother, Mrs. James Walker. Soap carving of animal figures, singing and games occupied Den No. 3, with Mrs. D. L. McGihon in charge.

Costumes for a play to be put on at the Pack meeting were being fitted and made at the meeting with Mrs. Hugh Weinand for Den No. 4.

TRAVELS OVER WORLD

Kenneth Snider has written to his sister, Mrs. David Rose from northern Japan where he is now stationed with the Air Force. He mentioned that he had traveled 10,000 miles before he found snow. He only recently returned from two years in Africa and now has experienced a contrast of climates and seen the greater part of the world.

Mr. and Mrs. T. T. Buell of Grass Valley were house guests of Mr. and Mrs. V. C. Shattuck during the weekend. The Buells attended the dedication of the Division of Highways building and the Wyethia Club dinner and visited local friends.

Melinda Lee. They live in their own home at Grass Valley.

JOINT ROTARY

Johnnie Richards, president of the local Rotary Club, has announced there will be a joint meeting of the Rotary Clubs of Truckee, Tahoe City, Brockway, and South Tahoe here next Monday night at Cozze's Cafe.

CLOSED TEMPORARILY

Earl Brown this week announced that he and Mrs. Brown will enjoy a brief vacation from their Brown's Cafe which will be closed for several days. During the time it is closed the Browns will renovate the cafe, but for the most part will rest and get ready for the busy summer ahead.

Mr. and Mrs. Don Harris of Boise, Idaho, enroute to San Francisco are visiting Mr. and Mrs. Walter Barrett.

ART GROUP WILL HOLD MEETINGS

The art section of the Wyethia Club will hold meetings once each month, beginning in April, the date has not been set.

The group will hold meetings in the club's edifice except for occasional trips to museums and studios.

Mrs. Fred Pedley said that Rafael Jolley, local artist plans to paint portraits of two members of the art group.

Business Trips—

Joe Mattos returned from business trips to Sacramento and Fallon, Nevada this week. He also attended Rotary Club meeting while in the Nevada town.

RED CROSS DRIVE AT TAHOE GOES ON

TAHOE CITY — Mrs. Louise Geier, chairman of the Red Cross in the Tahoe area, reports the collections for the first three weeks of the drive totaled \$299.50. Mrs. Geier expressed her thanks for the contributions and urged those who have not yet contributed to remember the great humanitarian work the Red Cross does and to give accordingly. Donations may be mailed to the American Red Cross, Mrs. Phil Geier, Tahoe City.

The drive will continue through the month of March.

In Placerville—

R. N. Little was in Placerville last weekend, a guest of Mr. and Mrs. A. P. Leitch.

Half-ton beauty
with a two-ton punch

THIS new '54 GMC light-duty wasn't born just to win beauty contests.

Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike.

There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, supple-as-leather upholstery. Smart instrument panel, with dials clustered for instant reading.

But mister—take another look!

A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash.

That's more power than some makers pack into their two-ton models. That's

more usable power than in any other 6-cylinder engine in its class!

And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight.

Finally, it offers Truck Hydra-Matic Drive* that saves you, saves your cash, saves your time.

(Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!)

Come in and drive this great GMC. It will do all its own selling!

*Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

Get a modern truck!

Be careful—drive safely

Tarzan

by EDGAR RICE BURROUGHS®

KAMUT HOPED TO DROP THE APE-MAN INTO A PIT, BUT ZORAD AND HIS MEN LEAPED TO THE RESCUE.

TARZAN WAS THEN HELPED TO HIS FEET. "LOOKS AS IF I UNDERESTIMATED THE OLD DEVIL," HE SAID WRYLY.

"HE WAS CLEVER, ALLRIGHT," REPLIED ZORAD. "BUT NOT CLEVER ENOUGH TO DEFEY THE LAW OF OUR GODS."

NOW, AFTER LEAVING THE TEMPLE, THEY HEARD BOISTEROUS CHEERS FROM THE REST OF THE SOLDIERS--TRIBUTE TO ZORAD, THEIR NEW PHAROAH!

HARMONY PREVAILED IN THE EGYPTIAN KINGDOM AND TARZAN SAW NO FURTHER NEED FOR HIS PRESENCE. HE RECEIVED ESCORT TO HIS BOAT--

AND, AFTER BIDDING FAREWELL, WAS TAKEN UPRIVER TOWARD THE OUTSIDE WORLD--AND NEW ADVENTURE!

LOOK, CURLY-- IT'S POP NOLAN!

YOU LOOK TROUBLED, POP!

I AM, CHAMP-- I CAN'T GET MY SON, DICK, TO CONTINUE HIS SCHOOLING

'MORNING, CHAMP! DAD TOLD ME YOU'D HELP ME BECOME A BOXER!

SURE, DICK-- BUT YOU OUGHT TO GET YOUR DIPLOMA FIRST!

NAH! IT TAKES TOO LONG AND IT'S TOO MUCH WORK!

BESIDES-- I WANT TO STRIKE IT RICH QUICK!

O.K., DICK! LET'S GET STARTED!

YOU START THE DAY AT 5 A.M. WITH 10 MILES OF ROADWORK!

THEN YOU WORK ON THE PUNCHING BAG FOR AN HOUR!

AND YOU MUST PUT IN A FEW HOURS ON THIS BAG.

YOU'LL SPAR 8 ROUNDS DAILY AND THEN DO THESE STRENUOUS CALISTHENICS!

GOSH, CURLY-- A FIGHTER WORKS REAL HARD... BUT HE DOES GET PAID A LOT!

WELL-- HIS MANAGER GETS 30%-- HE HAS MANY EXPENSES... AND THEN THERE ARE TAXES!!

WHERE ARE YOU GOING, DICK?

BACK TO SCHOOL, CURLY-- GETTING MY DIPLOMA WON'T SEEM SO TOUGH NOW!
